WARRANTY POLICY

- The company undertakes to replace the defective part or the entire product at its discretion if it becomes defective solely because of faulty material or workmanship.
- The warranty period is applicable from the date of the sales invoice and the period for different products is mentioned below.
- The warranty shall be invalidated for all components in case of physically damaged products.
- The warranty will be invalidated if the product has not been installed or maintained in accordance with the company's instructions, or if any attempt has been made to rectify, dismantle, or alter the product or if the original accessories of the company have not been used.
- The warranty states the company's entire liability. It does not extend to cover consequential losses or damage or installation costs arising from the defective product.
- No agent, distributor, or dealer is authorized to modify, adapt, or extend these warranty conditions.
- In the interest of continuous improvement, the company reserves the right to modify or change the product design and specifications of their products in future without any prior notice. In the event of replacements, if any, they will be done with the then prevailing designs.
- Disputes, if any, are subject to Ulhasnagar Jurisdiction only.

GENERAL TERMS AND CONDITIONS

- All dimensions are in mm
- Luminous efficacy is indicated for 6500K. However, it reduces by 5-10% for 3000K.
