PRESS FIT[®]
Our Quality, Your Solution

EMBRACING THE PAST,

.pressfit[®]

ENERGIZED FOR THE FUTURE...

ABOUT US

From the start, Pressfit's vision has been simple and powerful: To become the brand people think of when they need an electrical product.

Today, we are the country's foremost manufacturer of electrical accessories. We create the electrical solutions you need in your homes and offices: from pipes to wires to switches to circuit breakers, and much, much more.

From small beginnings in a workshop processing PVC compounds, Pressfit has grown to a company with more than 7000 SKUs and a pan-India sales and distribution network.

We are driven by the urge to improve and innovate in our state-of-the-art manufacturing plants, with quality management systems that are second to none.

Our experience of over three decades and our unmatched expertise enable us to develop innovative and efficient products for all interiors.

Each of our products is crafted for performance and quality at prices that are more reasonable than you'd expect.

Our wide range means you're sure to find the right solution, with designs that range from the modern to the traditional.

Welcome to Pressfit.
Welcome to quality, affordability, and trust.

ALL OLD INCOMPATIBLE BOXES

UNPARALLELED RANGE

Pressfit LX offers a huge range of options ranging from 1 Module to 32 Modules. We have multiple sizes for each module which takes its compatibility to a different level.

EXTRA MOUNTING POINTS

Old electrical installations are like a box of chocolates: You never know what you are going to get! Pressfit LX has extra mounting points, i.e. screw holes, on the base plate to ensure your old box does not have to be changed when you switch over to Modular Switches.

WIDE-BODY DESIGN

Pressfit's LX Plates are wider than any other modular switch plates. This means old boxes of odd sizes can also be covered up and you do not have to worry about visible gaps in the wall after installation or re-plastering it.

VARIETY OF COLOURS

Customize the interiors of your homes with Pressfit's LX Modular Plates which come in a variety of colours. They are aesthetically designed plates made with precision to suit your exquisite taste.

A modern interior space featuring a curved wall made of vertical wooden slats. A large, angular stone sculpture sits on a reflective floor. A staircase with a wooden railing is visible on the left. The ceiling has a curved, stepped design.
